SAVING LIVES THROUGH PRO-LIFE EDUCATION

## 5 Ways to Stand Up for Life

Every human life is precious. Here are five simple ways every person can help share that truth and support the pro-life movement - locally and globally.

### 1. PRAY

Pray that women and men facing unplanned pregnancies will **choose life**. Pray for those on the frontline who counsel these women that their words would be effective. Pray for pro-life leaders and elected officials at every level of government.

### 2. LEARN

Educate yourself on local efforts for the sanctity of life. And visit [lifeissues.org](http://lifeissues.org) for the resources and information to protect innocent human life.

### 3. LISTEN

Listen with **kindness, gentleness and love** to those who are undecided on where they stand on abortion and those who disagree as well.

### 4. TALK

Use the power of **social media** to share pro-life messages and stories with your friends and followers. Follow us on these outlets and share our posts. Click icons.

### 5. ACT

Support a local pregnancy center or adoption organization by **writing a letter** of encouragement, **donating** gift cards or **volunteering**. Find out which candidates are pro-life and vote for them.

"We are closer than ever to ending abortion in America and it's never too late to join the movement. We can do this!" - **Brad Mattes**, President of Life Issues Institute
